**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are long time customers of Sonic, a small ISP that serves us well in Northern California. We were disgusted with the artificially high prices charged by our previous providers (AT&T and Comcast) and Sonic is able to provide the same or better service for significantly lower cost.

We are furious that our government, whose responsibility is to insure that consumers are not harmed by business, is considering action to do exactly the opposite.

The FCC is not a pawn of political grandstanding and corporate lobbying. It is a vital agency to protect and benefit Americans like us. Please do the right thing.
